---

**DIRECTIONS** 1. Look at the set of shapes. Which shape belongs in the same category? Draw that shape in the box and color it. How many shapes are in the category now? Write the number. 2. Which shape does not stack? Mark an X on the shape. 3. Count and tell how many pieces of fruit. Write the number.

Deb tends to the hens.  
Jess helps her.  
They get eggs from the  
nests.

2

They sell the eggs.  
Ned gets five.  
Jen gets the rest.
